

10 YEAR GUARANTEE

*PLEASE READ THE FOLLOWING CAREFULLY

Eco Tanks offers a “no nonsense” 10 year - full replacement guarantee provided that the nature of the damage is manufacturing related.

This guarantee is subject to the correct installation of the tank and does not include:

- Damage which occurs as a result of improper handling, storage, installation, or subsequent modification to the tank.
- Damage which occurs as a result from usage of incorrect chemical agents which damage or corrode the tank.
- Damage resulting from defective or incorrectly fitted connections to the tank.
- Damage from fittings, attachments or alterations made to the tank, including welding or the use of adhesive substances, etc.
- Damage resulting from the tank being used for any purpose other than intended.
- Damage resulting from repairs not performed by Eco Tanks representatives.
- Damage resulting from liquid contents exceeding a temperature of 40° C.
